

University of Colorado Hospital

ANSCHUTZ MEDICAL CAMPUS

WE NEED YOU!

At the University of Colorado Hospital
We specialize in specialists—
From the ones who can treat almost
any kind of medical condition to
those who just know how to make someone's day.

As we begin construction on the new
12 story addition,
we need YOU!

We would like to invite veterans to join
our family of volunteers
and greet patients, push wheelchairs
or offer a cup of coffee to
visitors and patients for 2-3 hours a week.
